Two German exchange students are spending five days in Tasmania as guests of a Launceston family.

They are Ulrich Dillmann (17), of Munich, and Canan Biriz (16), of Hanover.

The students attended school in Melbourne for five weeks before arriving in Launceston yesterday. They are staying with Mr and Mrs P. M. Sheridan, of Oxford St, East Launceston.

Ulrich and Canan are among 30 German students staying in Australia under

the Society for Australian-German Student Exchange scheme.

A Launceston youth, Malcolm King, recently spent three months in Munich with Ulrich's family.

Ulrich will return to Germany after his stay in Launceston, but Canan will spend another month studying in Melbourne.
